EMPOWERING WOMEN
THROUGH SERVICE & ADVOCACY

January 14, 2023

Dear Community Partner,

Since 1981, the Zonta Club of Johnson County has played an active role in Cleburne, Burleson, and the surrounding areas by advocating for the empowerment of women and girls. By partnering with organizations like the Family Crisis Center of Johnson County and the Texas Health Resources Sexual Assault Nurse Examiner (SANE) Program, we Zontians advocate for the end of violence against women, while also attending to the direct needs of victims. We also volunteer with Legal Aid of Northwest Texas to provide legal assistance to low-income individuals within Johnson County, many of whom have survived violence in their own homes.

Other projects involve supporting Camp Fire and the American Legion Auxiliary of Texas by providing funds to send girls to summer camp where they are empowered to grow in their confidence as leaders. We also support the Christian Women's Job Corp whose curriculum prepares disadvantaged women to be valuable members of the workforce. Annually, we provide scholarships to high school seniors and to women returning to college later in life.

In an effort to continue to meet the needs of women in our area, The Zonta Club of Johnson County will be hosting its **Women of Influence Luncheon on Thursday, March 9, 2023**, at the Cleburne High School Bistro. All proceeds of this event will support the club's service and advocacy projects. This will also be a unique opportunity to also recognize the achievements of some of the remarkable women from our community as we celebrate International Women's Day.

Our organization is only successful with the support of businesses like yours. There are several options for you to choose from including event sponsorship and raffle item donation(s). I have included information on sponsorship levels for your consideration. We, and all the other women of Johnson County, thank you in advance for your generous contribution.

Sincerely,

Kasey Rachel, Director
